Mayor Starke opened the “special” meeting regarding the FY 2023-2024 budget.

Mrs. Shirley Bowen, Clerk of Council and Treasurer, provided the councilmen and mayor with new “requested” amounts shown on the new budget spreadsheets she’d prepared for review and discussion. Mrs. Bowen explained how the computer software calculated the amounts from April through June for the “projected” figures, and how it also calculates the “requested” amounts for the new fiscal year. These figures were discussed, as well as, rate increases, new department requests, and salary increases. Upon discussion of rates, Councilman W. H. Coleman moved to increase the “hook on fees” for out-of-town customers from \$1,250.00 to \$1,500.00 per connection, and also to increase the sewage rates for in-town and out-of-town customers using over 3,000 gallons. This would change the current amounts from \$5.00 to \$5.54 for in-town customers who use over 3,000 gallons per 1,000 gallons and the out-of-town customers using over 3,000 gallons would pay \$11.08, rather than the current rate of \$10.00 per 1,000 gallons. This motion also included giving Mrs. Bowen the authority or permission to advertise these rate changes “twice” in a local newspaper, which would begin on June 7th and again on June 14th. Councilman Bill Thompson seconded the motion, with all remaining members voting in favor.

The budget meeting continued by the councilmen, mayor, and the Clerk-Treasurer looking at each of the town’s general ledger fund accounts regarding revenue and expense accounts. Discussion ensued with questions and responses made, along with some corrections being noted. Salaries were also discussed using a 5% increase across the board; however, it was the consensus of the council not to increase salaries using this method and advised her of their chosen/preferred method.

After completion of all these facts and figures, it was agreed upon by the town council for Mrs. Bowen, Clerk-Treasurer, to make their approved adjustments to the budget to be presented and approved by the town council at the next regular meeting on Tuesday, June 13, 2023. If this was done, this adjusted “proposed” budget could be advertised “once” in the local newspaper on Wednesday, June 14th. Following protocol, a “Public Hearing” would be held on this proposed FY 2023-2024 budget on Wednesday, June 21, 2023, for comments from the public. Seven (7) days later, on June 28, 2023, the budget (according to the Virginia Code § 15.2-2503) would have to be adopted, in order to be in compliance for the new Fiscal Year 2023-2024 budget, to take effect on July 1, 2023.

With no further questions or concerns, the meeting was adjourned at 7:20 P.M.
